

Dear Library Users,

Further reduction of Library opening hours

Effective 1 April and until further notice, the Library will reduce its opening hours and modify its seating arrangements in response to the latest developments of the COVID-19 outbreak. Please take note the following:

The Main Library will open as follows:

Mondays-Fridays: 9:00 am – 5:00 pm

Saturdays: 12:00 noon – 4:00 pm

Sundays & Public Holidays: Closed

The Chinese Medicine Library and the Shek Mun Campus Library remain closed.

The Academic Commons on Level 2 is closed, and seating has been reduced at study areas and computer workstations on Levels 3-7. Users should not occupy any place that has been designated with a red “X”.

The Library’s extensive collection of electronic resources is available 24/7 and can be accessed from inside or outside the Library. Librarians have created this [quick guide](#) to help you get started. Library staff are also available for real-time assistance with research enquiries via our online services including [WhatsApp](#) and [Facebook Messenger](#).

Please remember that users are required to wear a mask at all times in the Library.

Be sure to check our [Library website](#) for the latest information regarding Library hours and services.

We look forward to continuing to serve our community of HKBU Library users during this challenging time.

With best wishes,

Kendall Crilly
University Librarian
