

Dear Colleagues,

Inoculation Against COVID-19

To safeguard public health and to allow the resuming of normal activities of society gradually, the Government has implemented a territory-wide COVID-19 Vaccination Programme free of charge for all Hong Kong residents since 26 February 2021. If a staff member has the need to be released for the vaccination during working hours, please present the booking confirmation record or SMS showing the location of the test centre, date and time, to his/her supervisor. Subject to operational practicability, Heads of Departments/Units may allow the staff member to go for the vaccination during working hours.

For details please visit the thematic website (www.covidvaccine.gov.hk).

Please stay safe and healthy.
