

Dear students and colleagues,

Update on COVID-19 student infection case

I am writing to provide a further update on the student who was tested positive for COVID-19 announced yesterday.

Apart from attending classes on 18 March at CVA109 at the Communication and Visual Arts Building and on 22 March at LMC512 at Lui Ming Choi Centre, the student also attended a meeting on 18 March at AAB608 at the Academic and Administration Building.

As requested by the Centre for Health Protection (CHP), the University will provide names and contact details of students and teachers who had attended the same meeting as the student concerned for CHP's tracing of close contact.

The University will continue to take precautionary measures and necessary actions according to the recommendations from CHP. For enquiries, please contact the Estates Office at 3411 7997.
