

Dear Students and Colleagues,

**Updated Arrangement on the
“Stepping Up COVID-19 Control Measures for Health and Safety on Campus”**

Subsequent to the announcement made on 25 August 2021 ([Announcement](#)), we have received some positive and valuable feedback from various stakeholders of the University. In view of practical difficulties encountered by some students and colleagues in complying with the new policy on the scheduled effective date, the effective date of the vaccination policy will be revised to **25 October 2021**.

Students who have financial difficulties and cannot take vaccination due to medical reasons or ineligibility may apply for subsidy. For details, please visit: [SAO COVID-19](#) (Office of Student Affairs, UGC-Funded students) or [SCE COVID-19](#) (School of Continuing Education).

More information and updates in regard to COVID-19 pandemic can be found on the Government’s website ([Government COVID-19 Updates](#)). The University will continue to closely monitor the COVID-19 situation, and introduce necessary measures if needed. Updates in relation to the University can be found on ([University COVID-19 updates](#)) and on your HKBU mobile app.

For any questions concerning the health declaration or campus access control, please contact the Sustainability, Health and Safety Section of the Estates Office at 3411 7997 or email to shs@hkbu.edu.hk.

Stay healthy!
