20220308-08	8/3/2022	Staff	Department of Biology	NA	Rapid test positive	3/3/2022	Nil	NA	NA

*For the full name of venues on campus, please go to

<https://eo.hkbu.edu.hk/cccms/lib/uploads/system/University%20campus%20and%20building%20identification.pdf>

Note 1:

Place(s) on campus visited by the infected person with no symptoms in the past 7 days, or with symptoms from 2 days before the onset of symptoms

Note 2:

No action needed if the last day of entry into campus of the infected person with no symptoms is longer than 7 days, or with symptoms is longer than 2 days before the onset of symptoms

The University is liaising closely with the Centre for Health Protection (CHP) regarding any extra precautionary measures needed.

If you consider yourself having exposed to infection risk in connection with the cases, you are highly encouraged to take COVID-19 tests as soon as practicable. For enquiries and reporting of positive case, please contact the Estates Office at 3411 7997.

Stay vigilant and healthy!
