

Dear colleagues and students,

Face-to-Face Teaching and Learning in Semester 1, 2022/23

My warmest greetings to you all!

As the Government has recently relaxed the social distancing measures and the society is resuming to normal gradually, I am pleased to announce that face-to-face teaching will be adopted in all classes in Semester 1, 2022/23. ALL students are expected to attend classes on the campus.

Please ensure you have fulfilled the requirements of [Stage 3 of HKBU Vaccine Pass](#) so that you can return to the campus for summer activities and the start of classes on 5 September 2022.

Colleagues and students who are now outside Hong Kong should make your travel plan as soon as possible to return to Hong Kong. You are advised to check the latest [boarding, quarantine and testing arrangements for inbound travelers](#) before departing to Hong Kong. Please allow yourself sufficient time for quarantine and vaccination.

Please adhere strictly to the latest [health and safety measures for lectures and tutorials](#) and for [practical or lab/studio-based sessions](#) when attending classes on campus.

We will continue to monitor the COVID-19 situation, and the above arrangements are subject to adjustments should there be any abrupt change in the pandemic situation. Please check your email and the [Bulletin Board for Coronavirus Disease 2019 \(COVID-19\)](#) regularly to stay alert of the latest development and updates from the University.

May I wish you a healthy and relaxing summer. I look forward to seeing you on campus.
